[Preferences](#)

Try uppercase "OR" to search for either of two terms. [\[details\]](#)

The "AND" operator is unnecessary -- we include all search terms by default. [\[details\]](#)

Web Results **1 - 10** of about **252** for "**particulate polymer "** and "**plug flow**" and (**fed or feeder or feeding**) and **heat**. (0.42 seconds)

Polymer treatment for separating volatile material - US Patent 7232878

By "**plug flow** mode" is meant throughout this specification that the flow of It is preferred to **feed** the **particulate polymer** continuously to the purge ...
